The mission of Foundation IX, as a non-profit organization, is to increase girls' participation in sport and organized fitness activity by eliminating cost as a barrier.

“Participating in sports helps me stay out of trouble. It enables me to keep my grades up...and I get to get out of the house, out of the city and state!”

- *Lyanna, 11 years old*

“I like to make friends when I play sports and have fun. Sports teaches me that winning isn't everything. Also, it makes me get good grades.”

- *Nailatz, 11 years old*

“Getting involved helps me be a team player, make new friends and it helps my basketball skills. It makes my self-esteem better.”

- *Imani, 12 years old*
